

EVOLVE®

EVOLVE® Frame Quality and Performance

EVOLVE Frame in High Performance (HP®) Material

- Evolve Frame delivers superior aesthetics: full glass coverage, superior performance, superior looks!
- No oozing, no squeeze out, no mess. Evolve's dry glaze seal beats the industry's standard frame hands down.
- The unique frame rib construction and placement of the Galaxy screw bosses reduce scalloping and corner flare.
- Auto-aligning screw hole covers and keyed cover seat make for a clean and easy cover insertion.
- UV resistant material will not discolor. May also be painted or stained with adhesion promoter.
