BETTER RESULTS, LESS EFFORT

PROFESSIONAL ROLLER FRAMES

- Retaining spring locks roller cover in place
- Smooth rolling bearings
- Durable construction
- Hands-free release

QUICK TIPS

Push roller cover completely over spring to prevent it from sliding off during use

If not completely pushed over retaining spring, roller will slip off frame

Use fast-action impact for no-mess roller release

ADJUSTABLE PRO ROLLER FRAME

- Adjusts to hold rollers 12" to 18"
- Tool-free design
- Durable, lightweight construction

EXTENSION POLES

- Lock securely in place & adjust in 6" increments
- Fiberglass outer pole with rigid hex aluminum inner, reduces torsion
- Quick-lever release

MINI ROLLER CAGE FRAMES

- Retaining spring locks roller cover in place
- Smooth rolling cage
- Works with both 4½" & 6½" mini rollers

MINI ROLLERS

- Great for corners & tight spaces
- Fabrics match Wooster's full-size roller covers for consistent finish
- For mini roller cage frames

HANDHELD PAINT PAIL

- Brush & roll from one pail
- For rollers up to 4½"
- Magnetic brush holder

LINERS

- Eliminate cleanup
- Form-fitting

MULTI-POSITION TOOL HOLDER

- Highly versatile—clamps brushes, scrapers & more
- 160° adjustability
- Locks in 9 positions
- Works with both threaded & Sherlock GT poles
