3x more options than the competition!

All residential shower drains can be found in Sections E & F in JS Catalog.

Additional Features of the D50001

- Low profile for first and second floor installations
- Beveled edge allows for recessed installation
- Reversible clamping ring for additional 1/2" height adjustment
- Brass inserts ensure secure clamping of membrane
- Dual weeps holes allow secondary drainage from the shower to prevent mold and mildew
- Recessed sump area for added drainage
- Use D50998 or D60978 tailpiece extension when additional height is needed

JONES STEPHENS DRAINS Flexible. Adjustable. Adaptable.
