QUICK AND EASY LEAF CLEAN UP WITH THE LEAF COLLECTION SYSTEM

LARGE CAPACITY

- Holds up to 25 cu.ft. of leaves, debris, grass, etc.

EASY OPERATION

- Zipper opening in the back allows for easy dumping of material when the leaf collection system is full
- A quick connect bungee cord secures the cover, minimizing material leakage

QUICK INSTALLATION

- Install/remove the leaf collection system in less than 10 minutes without tools*
- System includes custom fit boot, so there's no need to trim bagging boot to fit mower deck

EASY STORAGE

- Leaf collection frame is collapsible so it takes up minimal space in garage or shed

VERSATILE

- Fits Cub Cadet and EZ-Stow™ Haulers as well as many Agri-Fab, Ohio Steel, Brinley-Hardy, YTL and other common dump carts
- Collection system can be removed so the cart can be used separate for multiple chores in and around the yard.

POWERFUL AIRFLOW

- Cutting deck featuring high-lift blades provides significant airflow for superior collection performance
