

ELECTRIC HEIGHT ADJUSTABLE SIT & STAND DESKS

MANAGERS SERIES

Manager Series: The sculpted design of the 30"x60" Manager Series allows for "immersive work technology" that allows the user to virtually surround themselves in their work up to an incredible 210 degrees. Adding dual-motors and actuators, an all steel frame and a four-position, memory height controller with digital height read-out, the beautiful Manager Series is also available in black, white, light Mahogany and walnut.
