

Poultry Fence

DESCRIPTION

Tenax Poultry Fence is a great, easy and safe to install alternative to rusty metal hex fencing. This colorful and natural looking option is designed for extended use for applications such as caging or as a barrier to protect young chickens. Tenax Poultry Fence is manufactured with high density resin allowing for superior strength and longevity. Tenax Poultry Fence can also be used as a border fence in your yard or garden.

USES

- Use as poultry fencing or other aviary applications
- Use as a garden fence around plants or ponds
- Use for cages

BENEFITS

- Lightweight - easy to carry and handle
- UV stabilized - long lasting
- Reusable and recyclable
- Won't rust, rot or corrode
