## Slight Color & Size Variations:

Colors may vary subtly depending on different angle and lighting. Due to differences in computer monitors, the colors of the rug may vary slightly.

Patterns may vary slightly according to shape and size selected.

We do our best to provide you with an exact measurement, but please be advised that some variation exists.

## Cleaning & Care:

Only need to be vacuumed once or twice a week, depending on footfall traffic.

Spot clean spills right away to keep them from staining.

Avoid wearing shoes on rugs to keep outside dirt from being tracked in.

Rotate the rug every six months for even wear.

## Faux Fur Shag Area Rug:

Your rug may not lie completely flat at first. The pile may be pressed because shipped folded. No worries! It should relax in a week or so.
