

- **Fire Protection Limited Reimbursement Guarantee**

The Fire Protection Limited Reimbursement Guarantee is an additional dollar level of protection offered on our safe models.

You must complete the insurance registration card, and mail that in to initiate this additional protection for your safe contents. In addition, it must be renewed on an annual basis to remain active. Annual updates will be mailed once you have registered.

SentrySafe's insurance provider will reimburse you for the fair market value of the valuables lost in a fire in your Sentry®Safe [Fire Safe](#) up to **\$50,000 (US Dollars)** for model numbers starting with **SF, SFW, and STW**. Please see insurance registration information included with the Safe for full terms and conditions.

Reimbursement is provided for a direct physical loss caused by fire and excludes consequential, damage i.e, melting, water, etc. – subject to the limitations on the completed registration form.

This Fire Protection Limited Reimbursement Guarantee does not cover loss due to theft. This reimbursement is excess over any valid and collectible property insurance carried by the owner of the safe.

- **SentrySafe Lifetime Warranty**

Sentry®Safe offers a Lifetime Warranty for After-Fire Replacement. If your [Fire Safe](#) product is damaged by fire, and you are the original owner, Sentry®Safe will ship a replacement to you, free of charge.

To report fire damage and request a replacement, please contact us with the following information:

- Your name and address
- The model and/or serial number, accompanied with any photo(s) of the burned unit
- A description of the fire, along with a copy of the fire department report and insurance report
