SwiftStart®

Start off with the right shingle

CertainTeed Swiftstart® metric starter shingle is designed specifically for use with CertainTeed Landmark® Series shingles. Rather than cutting expensive field shingles to use as starters, you can save time and money by starting with Swiftstart.

- **Reduced installation time, so jobs are finished faster**
- **Works with all metric shingles that are similar to Landmark**
- **Code-compliant, meets min. 2″ headlap requirement for metric shingles; many competing products do not**
- **Precision sealant for proper sealing at the eaves**
- **Each 18-piece bundle covers 116 linear ft.**
- **Upgraded wind warranty to 130 mph available on Landmark Series when Swiftstart is installed along the roof eaves and rakes**
- **Features CertaSeal® modified-asphalt sealant to hold strong against wind uplift and shingle blow-off**
