

ACOUSTIC PANELS EXCELLENT SOUND ABSORPTION

Owens Corning Acoustic Panels are easy to attach to walls. Available in several shapes and sizes, they all feature a resin hardened square edge. Choose a ready to install fabric finish or customize the color with a paintable finish.

Features

The core construction is a dimensionally stable 1" glass fiberboard with resin hardened edge protection laminated with a 1/8" high density molded glass fiber. Finishes are completely adhered to the face of the panel and returned to the back for a full finished edge. All corners are fully tailored.

Technical Data

FINISH	NRC
Standard	0.90
Paintable	
Spray Painted Light Color	0.90
Spray Painted Dark Color	0.75
