HIGHWAY PRODUCTS LIFETIME WARRANTY

OUR STORY

Since 1980, Highway Products, Inc. has been building the highest quality truck accessories available. We are still a family owned company and we proudly employ over 100 hardworking blue-collar Americans in a 100,000 square foot manufacturing facility.

Our founder, Gene Gros, built Highway Products on two simple core values: Build top quality products by hand in the USA, and take care of our customers. Our no-hassle Lifetime Warranty is a testament to those principles.

PEACE OF MIND GUARANTEE

If you have any issue with the workmanship of any product offered by Highway Products, give us a call and we'll get you taken care of. We even cover the components that we know fail over time, like gas shocks and weather stripping. We expect you to beat up our products and you can trust them to last. Other than finishes like paint and powder coat, and normal wear and tear like dings and dents, you can have the peace of mind in knowing you really have bought the last truck product you'll ever need to buy.

HIGHWAY PRODUCTS

If an HPI product stops functioning like it should, we'll always make it right!

ENJOY PEACE OF MIND & KNOW YOU'RE TAKEN CARE OF!
