

Did you know...

MMI DOOR

Has the largest selection of fiberglass doors?

These maintenance free doors won't warp, rot, dent or split but will add substantial value and curb appeal to your home.

Energy Efficient

- MMI DOOR has one of the best weather sealing systems in the fiberglass door industry
- Tests prove our fiberglass doors exceed industry standards for insulation and air tightness
- U-Value of 0.15 (the lower the U-value, the better for insulation)
- 100% CFC free core avoids harm to the ozone
- Composite frames upgrade the frame system warranty to the Lifetime MSystem Warranty
- Extended lock block to support handleset locks and deadbolts
- PVC door sweep is both rigid and flexible providing a durable, energy efficient seal
- Compression weatherstrip seals the perimeter against air infiltration and noise
- Lifetime MSystem Warranty
