

COMMERCIAL DOOR CLOSERS

Universal Hardware

The pro's choice for
commercial door hardware
and accessories.

The all-in-one heavy duty
commercial closers finishes:

Aluminum
UH4061

Bronze
UH4062

Matte Black
UH4063

Featuring The “All-In-One” Heavy
Duty Commercial Door Closer
With Our Patented Universal
Mounting Plate

The Universal Mounting Plate

Universal Hardware offers a closer for any commercial door, but our patented universal mounting plate sets us apart in closer technology. The universal mounting plate has pre-drilled holes that match the hole pattern of most closers in the market. With this mounting plate, you can replace your broken closer without drilling new holes in your expensive fire-rated door.

Heavy Duty Commercial Closer

Regulate door traffic, close doors automatically, eliminate slamming while adding security and safety.

- Adjustable closing and latching speed
- Adjustable backcheck prevents wind damage
- Fits right or left hinged doors
- Standard, top jamb, or parallel mount
