ASSORTED

#1 SANDING PERFORMANCE.

3M™ PRO GRADE PRECISION™ Faster Sanding Sheets with enhanced mineral technology resist clogging and sand faster. Fold once and the NO-SLIP GRIP™ durable backing grips together to prevent slipping so you can sand longer with less hand fatigue. Superior cut durability from start to finish. For when endurance matters.

- Premium mineral and superior durability removes, smooths and finishes faster with less effort
- Resists clogging for longer life
- Suitable for wet sanding or dry sanding
- Can be used on surfaces such as wood, metal, drywall and plastic
- Great for construction, woodworking, carpentry, painting and home improvement projects
- Available in a range of grits for a smooth finish
- Use on a large sanding tool, sanding block or cut to size for hand sanding
