- 30-Day Free Returns
- 24/7 Attentive Service

HASSLE FREE INSTALLATION

Tight Connection without Water Leakage

REMOVABLE GRATES

WATER OUTLETS

Bottom & Side Outlets

Various outlet connections are built into this trench drain. Each outlet contains multiple sizes for different piping methods. With the built-in outlet connector, the pipe can be connected directly.

Hassle-Free Installation

Each trench drain interlocks with the other; each one is one meter long. You can connect them to extend the length of the drains so that they will meet the length you need.

Detachable Grates

The installation of the grate requires no screws or bolts; thus, it is easily detached for cleaning. Though it requires no screws or bolts, it still works stably and holds up great.

STURDY HDPE MATERIAL

TRENCH DRAIN KIT

EXTENSIVE APPLICATION

Sturdy HDPE Material

Made of HDPE plastic, it can hold up to 6600 lbs and it is suitable for driveways. The HDPE plastic creates a smooth and durable surface to drain the water away smoothly.

Trench Drain Kit

This trench drain kit includes three trench drains. Each one is one meter long. The accessories include three plastic grates and three end caps. We offer you all the accessories that you may need.

Multiple Application

This sturdy and durable drain is suitable for various places, like gardens, pools, sports courts, courtyard, walkways, and more. With the Class B load rate, it is also suitable for driveways.
