

Henry TPO Roofing Advantages

The Power of Three:

Henry
#1 CHOICE OF PROFESSIONALS®

1 EFFORTLESS INSTALLATION: THE POWER OF PEEL & STICK

- Full assortment of peel & stick accessories, including seam tape
- No expensive heat welding equipment required
- Fast and easy installation saves time and labor

2 SUPERIOR LONGEVITY: THE POWER OF RIGOROUS TESTING

- Heat Aging: Exceeds ASTM standard with 4x endurance (128+ weeks vs. 32 weeks)
- Q-Trac Testing: Equivalent to 40 years of real-world exposure
- Environmental Cycling: Repeated heat aging, hot-water immersion, and xenon-arc exposure

3 UNBEATABLE ACCESS: THE POWER OF PARTNERSHIP

- Available 7 days a week at your local Home Depot store
- Large quantities and next-day delivery available
- One-stop shop for all your roofing needs

POWERFULLY SIMPLE. INCREDIBLY EFFECTIVE.

The Henry TPO Full Adhered Roofing System provides a high-performance, energy-efficient solution for new construction and re-roofing projects. With its durable construction and reflective white surface, Henry TPO offers exceptional protection against harsh weather while reducing heating and cooling demands.

Available Sizes:

- 6' x 50' roll
- 10' x 50' roll

Visit your local Home Depot or contact the Pro Desk for bulk orders and fast delivery.
