## Installation Instructions for Cedar Closet Liner

With CedarSafe's 100% Aromatic Cedar Shelf Liner, you can easily transform standard 12 in. D wire shelving into a solid wood surface that will not only prevent items falling through gaps but will also spare clothing from unsightly indentations. Additionally, Aromatic Cedar naturally repels and resists moths and silverfish, which can harm fine clothing. Each 2-pack covers 5 linear feet of wire shelving and can easily be cut to fit closet spaces. **No assembly is required. Simply place the shelf liner on top of your wire shelving.**

- The shelf liner is held in place by bottom anchors, preventing it from sliding forward.
- Two 30 in. W aromatic cedar shelf liners transform wire closet shelving into a solid wood surface
- 100% aromatic cedar infuses closet with a fresh aroma
- Aromatic cedar naturally repels and resists moths, cockroaches, silverfish and mildew
- Anchors on the bottom of the shelf liner hold the liner in place and prevent it from sliding forward
- Covers 5 ft. of standard 12 in. D wire shelving
- **No assembly required**
