

5 year No-Clog Warranty

Leaf Shifter is a patent pending 100% Recycled plastic fiber filter guaranteed to prevent leaves and large debris from entering and clogging a gutter or downspout during a five (5) year period from the original date of purchase, when installed in a manner consistent with Leaf Shifter installation procedures, under normal leaf and debris conditions. If a gutter clog occurs, contact the supplier to arrange replacement of clogged section.

This Constitutes the sole warranty made by the Manufacturer or Distributor either expressed or implied. There are no other warranties expressed or implied which extend beyond the face hereof, herein, including the implied warranties of merchantability and fitness for a particular purpose. In no event shall the Manufacturer, contractor or Distributor be liable for any incidental or consequential damages and suppliers remedies shall be limited to replacement of nonconforming units or parts.

Some states do not permit any limitation on the length of an implied warranty, and incidental or consequential damage, and some states do not allow exclusion or limitation of incidental or consequential damages. So the above Limitations and or exclusions may not apply to you. This warranty gives you specific legal rights. You may also have other rights which can vary from state to state.

Normal debris fall will occur through the year and may create surface accumulation on the Leaf Shifter from time to time, however, natural conditions such as Sun, Wind, and Rain, will work together to dry, blow, and wash away the debris so that the product can remain free flowing.

In Sheltered roof areas or overhangs on flat roofs or shallow-pitched roofs where heavy debris fall occurs, or where Pine sap falls, debris may collect when sunlight and wind cannot work to dry and move away debris.

We recommend clearing off the debris periodically with a water hose or blower, to ensure that flow is not obstructed.

Over time, exposure to the elements may cause the surface of the product to bleach out. The degree to which this weathering may occur will vary depending on factors such as location, air quality or local environmental conditions over which manufacturer or suppliers have no control. The weathering of the material under normal conditions will not affect the performance of the product. For optimal life and performance the product should remain unmolested, except for cleaning.

Exclusions to this warranty include, but are not limited to unreasonable use, Acts of God, floods, fires, vandalism, exposure to corrosive chemicals or pollutants, or any condition beyond the control of the supplier or manufacturer. This Warranty covers only genuine as described Leaf Shifter above. There are no warranties on this product other than set forth in this warranty. We are not liable for any other written or oral warranties such as those that may be given by suppliers, Contractors, Installers, or Distributors of this product.

Improper installation may invalidate the warranty. Read Proper [Installation Procedures](#). This Warranty covers all sizes of K Style, Half Round, and Fascia Style product.
