

LED TEMPORARY LUMINAIRE

Portable, Durable, Easy To Install, Lightweight Temporary Lighting

Bergen's "NEW" LED TEMP HIGH BAY FIXTURE is an energy savings, no assembly, impact resistant, long life solution to traditional HID & CFL Work Lights. Each fixture is **IP65** rated (similar brands are only IP64 rated), equipped with a 10ft power cord, 12KV surge protection, snap-lock hanging hook & stainless steel cage.
