

Gorilla® Clear Grip™ is a 100% waterproof contact adhesive that provides a permanent bond and holds in just seconds. This flexible adhesive dries crystal clear and can be used on a variety of surfaces, making it the perfect all-purpose adhesive for your next project.

BONDS: Metal, Glass, Fabric, Wood, Ceramic, Leather, Paper, Rubber, Plastic* and More!

Directions:

All surfaces should be clean and free of dirt, grease and oil. Best if used between 50°F and 90°F.

1. Apply adhesive to each surface to be bonded.

TIP: Push product toward the nozzle by squeezing from the crimped end of the tube.

2. To maximize bond strength: Wait approximately two minutes for adhesive to partially dry before joining surfaces.

3. Press surfaces firmly together. **NOTE: Bond forms immediately and can be difficult to reposition.**

CURE TIME: Allow a minimum of 24 hours for full cure. Cure time may increase with lower temperatures and when used on non-porous surfaces.

STORAGE: After each use, wipe nozzle with a dry cloth and tightly replace cap. Store in a cool, dry location.

Tip: For easier re-opening, apply a thin coat of petroleum jelly to the threads before replacing cap. **Store away from children and animals.**

CLEAN-UP: Wipe uncured adhesive with a dry cloth and clean with acetone, isopropyl alcohol, or citrus based solvents according to manufacturer's instructions. Cured adhesive may be removed by scraping from surface.

PAINTABLE: When fully cured.

***NOTE:** Not recommended for use on polystyrene, polypropylene or polyethylene products. Not for use on food contact surfaces. Do not dry clean. May cause damage to finished surfaces.

DANGER: VAPOR HARMFUL. FLAMMABLE. SKIN IRRITANT. Do not swallow. Do not breathe fumes. Do not use near heat, sparks, flames, or while smoking. Do not get in eyes. Do not get on skin or clothing. **KEEP OUT OF REACH OF CHILDREN.** Wear safety glasses and chemical resistant gloves. Use only in a well-ventilated area. Contains: Toluene. **FIRST AID TREATMENT:** If swallowed, call a poison control center or doctor immediately. Do not induce vomiting. If in eyes, rinse with water for 15 minutes. If on skin, rinse well with water. If breathed in, move person into fresh air. For medical emergencies only, call 800-420-7186.

⚠ WARNING: Reproductive Harm - www.P65Warnings.ca.gov

PELIGRO: VAPOR DAÑINO. INFLAMABLE. IRRITA LA PIEL. No ingerir. Evite respirar el vapor. No lo use cerca de calor, chispas, llamas o mientras fuma. Evite el contacto con los ojos. Evite el contacto con la piel o la ropa. **MANTENGA LEJOS DEL ALCANCE DE LOS NIÑOS.** Use lentas de seguridad y guantes resistentes a los químicos. Utilice solamente en un área bien ventilada. Contiene: Tolueno.

TRATAMIENTO DE PRIMEROS AUXILIOS: Si hay ingestión, llame de inmediato al Centro de toxicología o al médico. No induzca al vómito. Si hay contacto con los ojos, enjuague con agua por 15 minutos. Si hay contacto con la piel, enjuague bien con agua. Si se inhaló, traslade a la persona al aire fresco. Llame al 800-420-7186 en caso de emergencias médicas únicamente.
