Long Cord Surge Protector

[Instruction Manual]

Please pay attention to the warning signs
Read the instructions with caution before operating
and keep it properly

V41224

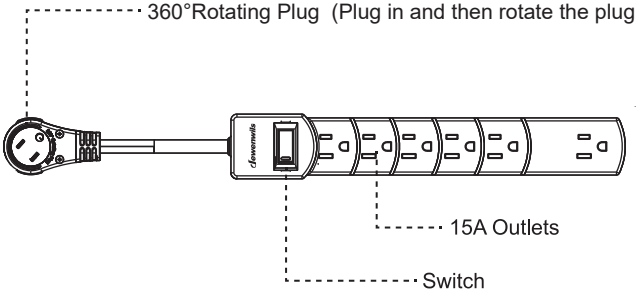

Warning:
To reduce the risk of fire, electric shock or personal injury, please strictly follow the instructions.

1.Do not use in wet conditions.
2.Do not connect any devices which may exceed the maximum ratings of this power strip.
3.Children are not allowed to use the power strip without adult supervision.
4.Do not disassemble or repair the product, and only allow authorized service personnel to do so.
5.To prevent suffocation and chocking, keep children away from packaging materials.

This device features an internal protection that will disconnect the surge protective component but will maintain power to the load – now unprotected. If this situation is undesirable for the application, follow the manufacturer's instructions for replacing the device.

CAUTION: RISK OF ELECTRIC SHOCK, DO NOT PLUG INTO ANOTHER RELOCATABLE POWER TAP OR AN EXTENSION CORD.
