## ALCOHOL STILL

Water Alcohol Distiller

5 Gallon / 19 Liter

### 5 Gal Alcohol Water Distiller

A full set of alcohol distiller, suitable for beginners and experts, with excellent cooling performance. It can be used to distill fruit wine, water, brandy and essential oils, apply for various heating methods like gas stoves, firewood, and electric ceramic heaters.

- Sufficient Capacity
- Rapid Cooling
- Easy to Operate
- Durable & Tight Seal
- Versatile Application

**VEVOR®**

### Tough Equipment & Tools, Pay Less

VEVOR is a leading brand that specializes in equipment and tools. Along with thousands of motivated employees, VEVOR is dedicated to providing our customers with tough equipment & tools at incredibly low prices. Today, VEVOR has occupied markets of more than 200 countries with 10 million plus global members.

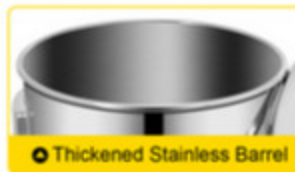

### Why Choose VEVOR?

- Premium Tough Quality
- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

### 5 GAL LARGE CAPACITY

#### 19L Raw Material

- ✓ Preserve a better taste and smell
- ✓ Comply with food grade material standards

Ideal Size Durable & Solid

### SPEEDY COOLING

The rubber pad under the condenser can insulate and accelerate cooling

Open Style Cooling

Copper Tube

### CONVENIENT USAGE

Precise thermometer with display of Celsius and Fahrenheit

1 Inspect the Temp Easily

2 Adding or Modify Flavors

### 5 Gal Large Capacity

The capacity of alcohol stills is 5 gal, which can match up with 19 liters raw material. Boiler barrel: 11.8" x 11.8" (30 x 30 cm). Condenser: 7.9" x 4.3" (20 x 11 cm). Thumper: 7" x 4" (18 x 10 cm), suitable for you to enjoy leisure time with your families or friends.

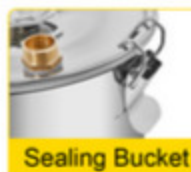

### Speedy Cooling

The copper coil with fast thermal conductivity ensures good cooling performance and a large contact area with the coolant. The water pump can ensure condensate circulation. The cold water is stably supplied to the lower inlet, and the hot water is discharged from the upper outlet to achieve efficient cooling.

### Convenient Usage

The built-in Celsius and Fahrenheit thermometers can make the distillation more controllable and accurate. The operator can quickly check the temperature while running the still, ensure a better distillation effect. Cooling water circulation is required when the temperature reaches about 80 degrees. This alcohol still adds a thumper keg, in which you can add spices or herbs according to your needs to adjust the taste you need.

### STRONG SEALING PERFORMANCE

Sealing Bucket

Evacuation Valve

Sealing Ring

### Strong Sealing Performance

We use food-grade silicone tubes with greater flexibility to ensure a better seal, and four upgraded sealing buckles and silicone sealing rings make it a tight fit. The upgraded one-way exhaust valve makes it easier for you to control and brew water or wine.

### ENERGY-EFFICIENT WATER PUMP

Recycling

Saving

### Energy-efficient Water Pump

Super durable & reusable, this water pump can ensure condensate circulation, recycling the cooling water and saving water. Simply plug in power for quick water draining, you don't need to detach it with any tools.

### VERSATILE APPLICATION

### Versatile Application

Our distillery kit can be used in different situations, such as alcohol, ethanol, whiskey, distilled water, brewing, essential oils, hydrosols, etc. As long as you have this device, you can meet various needs, and it allows multiple heating methods, including gas stoves, firewood, electric ceramic heaters, etc.

### Specifications

- Material: Stainless Steel + Red Copper
- Boiler Barrel Capacity: 5 Gal / 19 L
- Boiler Barrel Size: 11.8" x 11.8" / 30x30 cm
- Thumper Keg Size: 7" x 4" / 18x10 cm
- Condenser Keg Capacity: 0.92 Gal / 3.5 L
- Condenser Keg Size: 7.9"x4.3" / 20x11 cm
- Barrel Thickness: 0.03" / 0.7 mm
- Copper Coil Diameter: 0.39" / 10 mm
- Product Weight: 11.6 lbs / 5.28 kg

### Package Content

- 1 x Fermentation Barrel
- 1 x Condenser Barrel
- 1 x Thumper Keg
- 1 x Thermometer
- 1 x Water Circulating Pump
- 1 x One-way Air Evacuation Valve
- 1 x Set of Accessories
- 1 x Manual
