

LEARNING OBJECTIVES (LOs) AND OUTCOMES (Os)

By the end of this module, you should be able to:

- 1. describe the structure and function of the cell membrane, and the role of the cell membrane in the cell cycle and cell division.
- 2. describe the structure and function of the cell wall, and the role of the cell wall in the cell cycle and cell division.
- 3. describe the structure and function of the cell wall, and the role of the cell wall in the cell cycle and cell division.

By the end of this module, you should be able to:

- 1. describe the structure and function of the cell membrane, and the role of the cell membrane in the cell cycle and cell division.
- 2. describe the structure and function of the cell wall, and the role of the cell wall in the cell cycle and cell division.
- 3. describe the structure and function of the cell wall, and the role of the cell wall in the cell cycle and cell division.

By the end of this module, you should be able to:

- 1. describe the structure and function of the cell membrane, and the role of the cell membrane in the cell cycle and cell division.
- 2. describe the structure and function of the cell wall, and the role of the cell wall in the cell cycle and cell division.
- 3. describe the structure and function of the cell wall, and the role of the cell wall in the cell cycle and cell division.

By the end of this module, you should be able to:

- 1. describe the structure and function of the cell membrane, and the role of the cell membrane in the cell cycle and cell division.
- 2. describe the structure and function of the cell wall, and the role of the cell wall in the cell cycle and cell division.
- 3. describe the structure and function of the cell wall, and the role of the cell wall in the cell cycle and cell division.

By the end of this module, you should be able to:

- 1. describe the structure and function of the cell membrane, and the role of the cell membrane in the cell cycle and cell division.
- 2. describe the structure and function of the cell wall, and the role of the cell wall in the cell cycle and cell division.
- 3. describe the structure and function of the cell wall, and the role of the cell wall in the cell cycle and cell division.
