

BECAUSE WIPES ARE WIMPY.

Crocodile
CLOTH

It's a Dirty World. Get Fierce.

Let's face it—life gets messy. When the grime gets tough, you don't need a wimpy wipe that will let you down. You need something bigger. Stronger. Fiercer. You need Crocodile Cloth®.

Crocodile Cloth® is the toughest disposable cleaning cloth on the planet, to attack industrial-size messes in any habitat, from household spills to workplace disasters. Our unique formula devours grease, grime, grit and gunk and absorbs gloppy messes on contact so you can clean up in a single swipe. This is a cloth that works as hard as you do, so you can handle whatever life throws at you.

- Super-size cloths (15 x 10 inches) for faster, easier cleanup—as much as 4X the cleaning power of an ordinary wipe!
- Highly absorbent, low-lint nonwoven material collects and retains dirt like a microfiber cloth.
- Non-drying, alcohol-free formula is savage on dirt but gentle on hands, with aloe and vitamin E to condition skin.
- Safe for use on nearly all surfaces, including plastic, vinyl, metal, wood, bamboo, leather, carpets and fabrics.

Clean It Up with Crocodile Cloth®

Crocodile Cloth® was created to address the problems with ordinary, wimpy cleaning wipes. They're bigger, thicker and super-absorbent, so one cloth is all you need for most jobs. The cleaning solution is specially formulated to cut through grease, oil and adhesives without harsh chemicals that dry out hands or damage surfaces.

Crocodile Cloth® fills a critical hole on store shelves. They're the only disposable cleaning cloth designed specifically for the industrial, manufacturing, DIY, automotive, construction and outdoor markets. We're confident that once your customers try Crocodile Cloth®, they'll never go back to ordinary wipes.
