

Tame the Great Outdoors™

Power Trackbarrow w/ Gas Shock Assist *Flatbed*

YARDMAX 

MAX Performance. MAX Value. MAX Support.

Power Trackbarrow w/ Flatbed

Delivers unmatched stability, traction, and control – easily and safely transporting up to 660 lbs through tight spaces and across jobsites. Removable sides for superior versatility.

FEATURES & BENEFITS

- Removable sides to easily carry larger loads of brick, stones or pavers.
- Tracks offer all-terrain traction and stability across uneven, muddy, and wet ground.
- Powered by Briggs & Stratton 900 Series engine.
- Multi-speed heavy-duty transmission (3 Forward speeds plus Reverse).
- Zero turn radius for pivoting on a dime, limiting damage to the ground.
- Evenly balanced to maximize control and prevent tipping.
- Controls ensure an instant stop with release of drive handle – prevents usage without engagement.
- Solid steel hopper, frame, and handles for durability.
