Wood

Stone

Metal

Ceramic

Foam

Glass

Directions: All surfaces must be clean and tight fitting. Wear gloves to avoid skin contact. Gorilla Glue will stain skin and ruin clothes.

3 Easy Steps:

1. Damp It

Gorilla Glue is cured with moisture. Lightly dampen one surface with water. **Do not add water to bottle.**

2. Glue It

Spread a *thin* layer of Gorilla Glue on other surface.

3. Clamp It®

Clamp objects together for 1-2 hours. You can use heavy objects to achieve clamping pressure. Bond line improves with better clamping. Full cure in 24 hours.

DO NOT MICROWAVE OR HEAT. DO NOT OVER APPLY GLUE. A little goes a long way. While curing, glue will expand 3-4 times creating an incredibly strong bond line. Be careful of squeeze-out.

STORAGE: After each use, wipe nozzle clean with a dry cloth and tightly replace lid. Store in a cool, dry place. **Store away from children and animals.**

Not recommended for use on polyethylene or polypropylene plastics.

WARNING: EYE & SKIN IRRITANT. MAY PRODUCE ALLERGIC SKIN REACTION. Do not swallow. Do not get in eyes. Do not get on skin or clothing. Do not breathe fumes. **KEEP OUT OF REACH OF CHILDREN.** Wear safety glasses and chemical resistant gloves. Do not microwave or heat. Do not leave in hot vehicle. May cause sensitization by inhalation and skin contact. Individuals with chronic asthmatic conditions should consult a physician prior to using product. May cause gastro-intestinal blockage if swallowed. Contains: polyisocyanate prepolymer based on MDI, 4,4'-diphenylmethane diisocyanate, polymeric diphenylmethane diisocyanate, diphenylmethane diisocyanate (MDI) mixed isomers. **FIRST AID TREATMENT:** If swallowed, call a poison control center or doctor immediately. Do not induce vomiting. If in eyes, rinse with water for 15 minutes. If on skin, rinse well with water and scrub soap. If breathed in, move person into fresh air. For medical emergencies only, call 800-426-7186. **WARNING:** This product contains a chemical known to the State of California to cause cancer.

ADVERTENCIA: IRRITA LOS OJOS Y LA PIEL. PUEDE PRODUCIR REACCIÓN ALERGICA EN LA PIEL. No ingerir. Evite el contacto con los ojos. Evite el contacto con la piel o la ropa. Evite respirar el vapor. **MANTÉNGALO LEJOS DEL ALCANCE DE LOS NIÑOS.** Use lentes de seguridad y guantes resistentes a los químicos. No caliente ni coloque en el horno de microondas. No deje el producto en un vehículo caliente. Puede ocasionar sensibilización si se inhala o entra en contacto con la piel. Las personas con afecciones asmáticas crónicas deben consultar con un médico antes de usar el producto. Si se traga, puede ocasionar obstrucción gastrointestinal. Contiene: prepolímero de poliisocianato con base en MDI, 4,4'-disocianato de difenilmetano, disocianato de difenilmetano polimérico, isómeros mixtos (MDI) de disocianato de difenilmetano. **TRATAMIENTO DE PRIMEROS AUXILIOS:** En caso de ingestión, llamar de inmediato al centro de toxicología o al médico. No provoque el vómito. Si hay contacto con los ojos, enjuague con agua 15 minutos. Si hay contacto con la piel, enjuague bien con agua y jabón abrasivo. En caso de inhalación, traslade a la persona al aire libre. Llame al 800-426-7186 en caso de emergencias médicas únicamente. **ADVERTENCIA:** Este producto contiene una sustancia química que el estado de California reconoce como cancerígena.

Conforms to ASTM D-4236
