PARTS AND LABOR WARRANTY INFORMATION

SUMMIT Appliances are manufactured to provide outstanding value, and your satisfaction is our goal on every product. All SUMMIT major appliances carry a one year limited warranty on both parts and labor. All refrigerators and freezers carry an additional four years on the compressor. Certain exclusions may apply.

Certain models (including SUMMIT ranges, wall ovens, and cook tops) are manufactured for us in the U.S. and carry the manufacturer's warranty (also one year parts and on-site labor).

For details on specific warranty issues, please refer to the warranty packed with the product, or contact us.

Your warranty rights are protected by mailing back the registration card packed with each unit.

GENERAL PARTS AND LABOR WARRANTY

Summit warrants, to the original purchaser of every new unit, the cabinet and all parts thereof, to be free from defects in material or workmanship, under normal and proper use and maintenance service as specified by Summit and upon proper installation and start-up in accordance with the instruction packet supplied with each Summit unit. Summit's obligation under this warranty is limited to a period of 12 months from the date of original purchase.

Any parts, covered under this warranty, that are determined by Summit to have been defective, within the above said period, are limited to the repair or replacement, including labor charges, of defective parts or assemblies. The labor warranty shall include pre-approved standard straight time labor charges only and reasonable travel time, as determined by Summit.

COMPRESSOR WARRANTY

In addition to the warranty period stated above, Summit warrants its hermetically sealed compressor to be free from defects in both material and workmanship, under normal and proper use and maintenance, for a period of 60 months from the date of original purchase. Compressors determined by Summit to have been defective within this extended time period will, at Summit's option, be either repaired or replaced with a compressor or compressor parts of similar design and capacity. The above said extended compressor warranty applies only to hermetically sealed parts of the compressor and DOES NOT apply to any other parts or components, including, but not limited to, cabinet, paint finish, temperature control, refrigerant, metering device, driers, motor starting equipment, fan assembly, or any other electrical component, etc.

WARRANTY CLAIMS

All claims for labor or parts must be made directly through Summit. All claims should include: model number of the unit, the serial number of the cabinet, proof of purchase, date of installation, and all pertinent information supporting the existence of the alleged defect. In case of compressor warranty, the compressor model tag must be returned to Summit along with the above listed information. All claims should be filed within 30 days of completed repair or the warranty claim could be refused.

THINGS NOT COVERED BY THIS WARRANTY

Summit's sole obligation under this warranty is limited to either repair or replacement of parts, subject to the additional limitations below. This warranty neither assumes nor authorizes any person to assume obligations other than those expressly covered by this warranty.
