

## **Coffee Table Use and Care Manual**

Thank you for choosing our coffee table! To ensure longevity and maintain the beauty of your furniture, please follow these simple care instructions:

### **Use:**

- This coffee table is designed for indoor use only. Keep it away from direct sunlight and sources of heat to prevent any damage to the finish.
- Use coasters, placemats, or tablecloths to protect the surface from scratches, stains, and spills.
- Avoid placing heavy items or sharp objects directly on the table, as this may cause damage to the surface.

### **Cleaning:**

- Dust the table regularly with a soft, dry cloth to maintain its appearance.
- For more thorough cleaning, use a slightly damp cloth with mild soap or a wood-safe cleaner. Wipe dry immediately with a soft cloth to avoid water damage.
- Avoid harsh chemicals, abrasive cleaners, or scouring pads, as these may damage the surface.

### **Maintenance:**

- Periodically check the table for loose screws or legs. Tighten them as necessary to ensure stability.
- If the table has a wooden finish, consider applying a furniture polish designed for wood to maintain its shine and protect the surface.

By following these simple steps, you can keep your coffee table looking beautiful and functional for years to come. Enjoy!
