

# How to Plant & Care

## Proven Winners® Perennials & Shrubs

1

Remove and recycle or dispose of all plant packaging.

2

Read the plant tag to understand care needs and choose the best location.

3

Dig a hole twice as wide and as deep as the container.

4

Remove the plant from its container and place it in the hole level with the soil surface.

5

Add soil and fertilizer, then lightly pat the soil to secure the plant.

6

Water thoroughly until the soil is evenly moist.

 Enjoy watching your plants grow!
