ONE-COAT

Look for this symbol on our color chips to find all One-Coat Hide Colors in our palettes.

*Limitations apply. Guaranteed One-Coat Hide excludes ULTRA PURE WHITE®, colors outside of the BEHR DYNASTY & MARQUEE One-Coat Color Collection and all other interior and exterior colors that have not been included as One-Coat Hide from other BEHR Palettes. Multiple coats required when: 1) Painting over uncoated, porous, heavily textured or repaired exterior surfaces; 2) Over woods that contain tannins such as redwood or cedar; 3) Applying over heavy stains, which may require spot priming, multiple coats, and/or longer dry time. Two coats are also recommended for optimal durability when painting exterior surfaces. For more information, visit behr.com/onecoathide.
