SKU: 53483	All Terrain Tricycle, Red
Specifications:	• Heavy duty, hardened steel "T" frame base • Powder coated finish resists rust and corrosion • Extra large 13" front and 10" x 3.5" back air tires provide a super smooth and quiet ride over any terrain • Adjustable frame for kids ages 5 to 7 years old • Features non slip plastic pedals, safety reflectors, solid mud guard, ball bearing wheels, and adjustable chrome plated handle bars • Adult assembly required
Features:	• Here's a tricycle that handles all terrain conditions - lawns, dirt roads and pavement. • Pneumatic, knobby tires help your child get around on trails that would stump a regular trike.
