Aramid Braided Pressure Washer Hoses

35% Lighter
and more flexible
than wire braided rubber pressure washer hoses

- ***4100 PSI Working Pressure | 16400 PSI Burst Pressure***
- 100% Rubber construction
- Aramid woven braided reinforcement
- Maintains integrity under extreme weather conditions
- Ozone resistant
- Abrasion resistant
- Kink resistant
- Bend restrictor for better use & easier control over the hose

YouTube

The BluShield Aramid braided 4100 PSI pressure washer hose is the lightest and most flexible, 100% rubber pressure washer hose ever made. It has a 16,400 PSI burst pressure rating with safety factor of 4:1. Using aramid fiber for the braiding instead of steel the BluShield pressure washer hose doesn't have all of the negatives associated with wire braided pressure washer hoses. Aramid is 5x's stronger than steel yet it's lighter and more flexible. There are no safety issues with steel shards coming up through the cover or puncturing the core causing the hose to burst. The BluShield pressure washer hose also carries an unmatched 1 year warranty against manufacturing defects.

Fitting Available:  **Male Swivel**  **Male Fixed**

More flexible & durable vs wire braids | Aramid braided reinforcement | Handles hot water up to 250°F | Cold weather flexibility up to -20°F
