

We proudly offer a 10-year manufacturer's warranty on all our Zippity and Enclo vinyl and composite products and a 1-year warranty on our Zippity Metal Garden products. We do not warranty our wood products due to regular required maintenance.

Although our wood products are not warranted, we will replace any parts that are missing or damaged due to a fault of our own or transit. These incidents need to be reported within 30 days of delivery.

Replacement parts will be sent out as a resolution for most warranty issues. Our warranty does not cover full replacement of the product unless 80% or more of the product is damaged or defective. Damage to this degree needs to be reported within 30 days.

The warranty does not cover damages caused by improper use, application, or installation; abuse; alterations; negligence; vandalism; or acts of God. The warranty also does not extend to the normal weathering, slight discoloration, or chalking caused by prolonged exposure to the elements, mildew, or air pollution.

Photos, samples, and proof of purchase may be requested to verify the legitimacy of the claim. Nych Brands has the right to deny a claim that does not fall within the parameters of the warranty coverage. Nych Brands shall not be liable or responsible for labor charges or other expenses whatsoever in connection with removal or installation of either the original or replacement product.

Please see below for a list of items and events covered by our warranty:
