

LED LAMP

SPECIFICATIONS

Combine the vintage glass filament lighting look and feel with the advantages of modern LED technology with this stylish light bulb from Feit Electric. Energy efficient LEDs replace a 60-watt incandescent, producing a 2700K Soft White warm glow that gives the home a cozy feel. An integrated photocell sensor automatically turns the bulb on at night and off during the day, adding to the energy savings. A stylish ST19 shape with exposed filament wrapped in glass housing is ideal for decorative lighting fixtures and will enhance the décor of any room.

60-Watt Equivalent ST19 Soft White Dusk to Dawn Filament LED

ST19CL927CA/DD/HDRP
