# TwistTail®

CABLE TIES

**The Tool Less Cable Tie**  
Tail twists right off - No Tools Required  
**New Twist on Cable Ties**

## Features

- Designed for quick, easy, tool-less installation
- After installing, remove excess tail with a simple “bend, bend again and twist” motion
- Tail breaks off neat and clean with no sharp edges
- Suitable for any general-purpose cable tie application
- Available in white or UV-resistant black 6.6 nylon
- Sold in resealable bags of 50
