

PDIA00 Series Podium Ladder

The NEW PDIA00 Series Podium Ladder offers a larger standing surface with toe guard providing maximum comfort. It also provides 4X greater work zone than a typical Step Ladder allowing you to face any direction so you can accomplish more without having to reposition your ladder. The new Podium features a HolsterTop® PRO extended guardrail providing an extra point of contact and it securely and conveniently organizes tools and accessories at the top of the ladder. The newly designed Edge360™ bracing system increases the size of the ladder foot pad, braces the first step and provides protection from every angle.
