

# TP70WKN

## Energy Star Qualified Dehumidifier

This powerful dehumidifier effectively removes moisture to protect walls, curtains, furniture and appliances.

A full tank alert and filter clean alert makes it easy to maintain. The water tank is equipped with patent-pending Splash Guards to avoid messy spills, and a drain tube is included for long unattended operation.

What's more? The Washable Dust Filter helps reduce dust in the air, and is easily cleaned under a faucet - No replacement filters required.

Product Dimensions (in): 15.75 (W) 12.4 (D) 25.4 (H)  
Net Weight: 41.14 lbs

Versatile Digital Control with Mirage Display

Washable Dust Filter and Filter Clean Alert

Heavy-Duty Handle and Cord Winder

Continuous Drain Option

## FEATURES & BENEFITS

Dehumidification Capacity  
Previous DoE Test Procedure: 70 pints  
New DoE Test Procedure: 50 pints\*

Water Capacity  
14 Pints

Power Consumption  
5 A

Sound Level  
52 dbA\*

Easy Mobility

R410A - Eco-Friendly, Non-Ozone  
Depleting Refrigerant

Convenient Auto Restart  
Feature In Case Of  
Power Outage

Full Tank Alert System with  
Automatic Shut-off

Low Temperature Feature  
Automatic Defrost Control

Sleep Mode
