

Outdoor Patio Furniture Use and Care Manual

Use Instructions

This furniture is designed for outdoor spaces (patio, deck, garden). Use for its intended purpose only (e.g., seating, placing lightweight items). Avoid using as a step stool, storage for heavy objects, or for other unintended uses.

Material-Specific Care

Our furniture is available in Steel, Metal, Iron, Wood, MGO, Plastic, and Concrete. Follow these care tips for each material:

Steel/Metal/Iron

- Clean with a soft damp cloth and mild soap; dry thoroughly to prevent rust.
- Treat rust spots with sanding and rust-resistant sealant/paint.
- Store in a dry, covered area or use a waterproof cover when not in use.

Wood

- Dust regularly; clean with mild wood cleaner and dry immediately.
- Apply sealant/stain periodically to protect from moisture and UV rays.
- Store indoors or use a waterproof cover; elevate to avoid ground moisture.

MGO (Magnesium Oxide)

- Clean with a soft damp cloth and mild soap; rinse and dry.
- Wipe up spills promptly; minimize direct sunlight to reduce fading.
- Store in a covered area; use a breathable cover if needed.

Plastic

- Clean with mild soap and water; avoid abrasive cleaners.
- Keep out of extreme heat/sunlight to prevent warping or fading.
- Store indoors or covered; avoid heavy stacking.

Concrete

- Clean with a damp cloth and mild soap; avoid harsh chemicals.
- Seal periodically to prevent staining; repair chips with concrete touch-up product.
- Move carefully (do not drag); keep on level surfaces.
