SMART AND LIGHTWEIGHT HANDHELD BLENDER

-  2.34 lbs
-  12-speed adjustment
-  500W
-  800W instantaneous power

Upgraded with 500W high power, a stable copper motor, and 4 titanium-plated stainless steel blades, it works efficiently with low noise, helping you to complete blending tasks faster without disturbing your family's rest.

MEET DIFFERENT COOKING NEEDS

12 power adjustment levels

Long leg blade -
for thick soups and purees

Whisk - for eggs

Milk frother - for frothy milk

Designed with 12-speed adjustment, accompanied by long leg blade, whisk, and milk frother, this commercial immersion blender can meet your various needs for mixing, chopping, whisking, and making baby food.

EASY ACCESSORY REPLACEMENT

- Easy to clean
- Food-grade material

You can disassemble all the accessories in a few seconds, and all the parts can be washed with water.

WALL-MOUNTED DESIGN

Saves you more space

- Storage hanging bracket
- Hanging loop

The built-in storage hanging ring on the body allows the blender to be hung on a hook, facilitating storage and saving kitchen space.
