PAIRING REMOTE TO BASE

HOW TO PAIR

Press and hold the buttons of Head Down + Foot Up like the pictures, then press the Blue Dot on the wire at the same time for seconds. Pairing is done when you hear buzz sounds.

* The pair key of the control box has a reset function;

* The control box is powered on and to reset, and the reset process cannot be interrupted by any key

SYNCING 2 BASES TO ACT AS ONE

Please repeat the operation as" Paring remote to base" one more time to the bed you want to sync.
