WF50K7500AV

Samsung Front-Load Washer

5.0 cu. ft. Capacity DOE

SAMSUNG

Signature Features

AddWash™

- The AddWash™ door eliminates the need to do an extra load of laundry just because you forgot an item. Now you can conveniently add in forgotten laundry after the cycle has begun, without starting all over again.

5.0 cu. ft. Capacity

- Largest 27" capacity front-load washer[1] in the industry means fewer washes, less time in the laundry room, and more time for you.
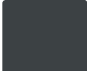

[1]Based on USDOE/EPA listing.

Super Speed

- Wash a full load in as little as 30 minutes[2] – 45% faster, without sacrificing cleaning performance.

[2]Normal 1-hour wash can now be completed in as little as 30 minutes as compared to WF42H5200 washer without Super Speed. Based on DOE standard's average of 7.5 loads per week.

Available Colors

Fingerprint Resistant

Samsung Front-Load Washer

### 5.0 cu. ft. Capacity DOE

Installation Specifications

If the washer and dryer are installed together or the dryer alone, the closet front must have two unobstructed air openings for a combined minimum total area of 72-inch^2 (see stacked build below). Your washer alone does not require a specific air opening.

1. Alcove or closet installation
Minimum Clearance for Closet and Alcove Installations:

*Required spacing (External exhaust elbow may require additional space.)

2. With stacked washer and dryer

Closet or Door
