LEED Green Building Submittal Sheet

Primers & Cleaners for Cement

	Description of Section's Relevance	Primers	Cleaners	Primer/Cleaner
Product Offerings	Various product brands offered by Oatey SCS® that apply to information as follows.	• Oatey Primers • Hercules Primers • Harvey Primers • Uni-Weld Primers	• Oatey Cleaners • Hercules Cleaners • Harvey Cleaners • Uni-Weld Cleaners	• Oatey Primer/Cleaner • Harvey Primer/Cleaner • Uni-Weld Primer/Cleaner
Low Emitting Materials VOC Emission Limits	Strictest VOC regulatory limit in which governs the above products.	The strictest regulatory limit for VOC emissions regarding plastic piping primers is 550 g/L.	The strictest regulatory limit for VOC emissions regarding plastic piping primers is 550 g/L.	The strictest regulatory limit for VOC emissions regarding plastic piping primers is 550 g/L.
Low Emitting Materials Product VOC Content	Best estimate of the actual VOC content within product in g/L or % by weight. Products with low VOC content may assist in earning LEED credit and improving air quality.	Clear & Purple Primers - 462 g/L Industrial Grade Primers - 519.7 g/L	Cleaners - 20 g/L	Primer/Cleaner combos - 20 g/L
Building Product Disclosure Recycled Content of Materials	Recycled content used within product that may assist in earning LEED points.	There is no recycled content present in these products.	There is no recycled content present in these products.	There is no recycled content present in these products.
PBT[1] Source Reduction Lead, Cadmium, Copper	Lead, Cadmium, and Copper content for use in determining LEED credit for PBT reduction.	There is no lead, cadmium, or copper content within these products.	There is no lead, cadmium, or copper content within these products.	There is no lead, cadmium, or copper content within these products.
Red List Content	Any red list materials as defined by the Living Building Challenge (LBC).	There are no red list materials in these products.	There are no red list materials in these products.	There are no red list materials in these products.
Conflict Mineral Content	Any materials within the product that may be from the DRC (Democratic Republic of Congo).	No conflict minerals are present in these products.	No conflict minerals are present in these products.	No conflict minerals are present in these products.
Hazardous Substance Content (ROHS)	Any substances contained within the product reportable per ROHS guidelines.	No substances present which are reportable per ROHS guidelines.	No substances present which are reportable per ROHS guidelines.	No substances present which are reportable per ROHS guidelines.
Location(s) Where Manufactured	Manufacturing location of the product pertains to the carbon footprint it holds. If jobsite area is within 500 straight-line miles[2] of this location, this may help earn LEED credit.	Locations of manufacturing: Cleveland, Ohio Omaha, Nebraska	Locations of manufacturing: Cleveland, Ohio Omaha, Nebraska	Locations of manufacturing: Cleveland, Ohio Omaha, Nebraska
Additional Information	Additional product information relative to LEED or environmental health and safety.	No additional information for these products.	No additional information for these products.	No additional information for these products.

[1]PBT's are known as Persistent Bioaccumulative Toxins.

[2]For use in determining distance between jobsite and manufacturing location in straight-line miles, use tool provided by this link http://www.daftlogic.com/projects-google-maps-distance-calculator.htm.

*All information contained in this document is gathered from reliable sources believed to be up-to-date and accurate to the best of our knowledge.

These products comply with the state of California's Department of Public Health (CDPH) "Standard Method for the Testing and Evaluation of Volatile Organic Chemical Emissions from Indoor Sources Using Environmental Chambers, Version 1.2 (2017)".
