

# AIR CONDITIONER Weatherseal

**Installation:**  
Cut weather seal to desired length and press in place around air conditioning unit.  
Can also be used to fill the space between window panes.

## Burbete para ACONDICIONADOR DE AIRE

**Instalación:**  
Corte el burbete a la medida deseada y presione alrededor del acondicionador de aire.  
Puede utilizarse también para rellenar los espacios entre la ventana superior e inferior.
