

THE BLACK MAGIC GROW PAIL IS AN EASY-TO-USE HYDROPONIC GROWING SYSTEM THAT ENABLES GROWERS OF ALL SKILL AND EXPERIENCE LEVELS TO ACHIEVE GARDENING GLORY.

PERFECT FOR

- Vegetables
- Leafy Greens
- Perennials
- Large Flowering Annuals
- And more...

WHY GO HYDRO?

- Faster growth rate than traditional soil gardening
- Use your water more efficiently with a recirculating hydroponic system
- Increased oxygen in the root zone means strong roots for a strong plant
- Higher crop yields than traditional soil gardening with the ability to grow year round

YOU'RE ALSO GOING TO NEED:

BLACK MAGIC SEED STARTER TRAY
Get your plants started out right. Our seed starter tray provides an excellent combination of aeration, drainage and water retention.

LIGHT SOURCE
Growing indoors? Make sure you grab some lights for your plants.

BLACK MAGIC BASE NUTRIENT A & B
Your plants need food. We recommend Black Magic Base Nutrient Part A & Part B.

BLACK MAGIC pH UP & pH DOWN
Use Black Magic pH Up & Black Magic pH Down to help make sure maximum nutrients is available to your plant.

WANT TO TAKE YOUR GROW TO THE NEXT LEVEL? CHECK THESE OUT:

LIQUID SUPPLEMENTS
Easier to craft nutrient supplements designed to promote plant growth, vigor, and yield.

SUPPORT
Depending on what you're growing, make sure your plant has the stability it needs.

AN EASY-TO-USE HYDROPONIC SYSTEM FOR GROWERS OF ALL SKILL LEVELS

GROW PAIL

6 GALLON CAPACITY

THE BLACK MAGIC GROW PAIL IS AN EASY-TO-USE HYDROPONIC GROWING SYSTEM THAT ENABLES GROWERS OF ALL SKILL AND EXPERIENCE LEVELS TO ACHIEVE GARDENING GLORY.

ADVANCED TECHNOLOGY

- GROW SITE CAPS**
Caps for direct grow sites.
- CUSTOMIZABLE GROW SITES**
Change between one and three grow sites to meet your needs.
- EASY-READ WATER LEVEL GAUGE**
Lets you know when you're running low on solution.
- SPRAY NOZZLES**
Conveniently spray your plants' root zone, reducing evaporation and increasing aeration.
- REVERSIBLE VALVE**
For easy cleaning and nutrient infection change.
- ROUNDED EDGES**
Made for easy handling.
- TOMATO CAGE COMPATIBLE**
Universal fit to incorporate standard tomato cages.
- 50% GALLON RESERVOR**
Made of durable, food grade plastic to keep working grow after grow.

CUSTOMIZE FOR ANY GROW

- CONFIGURATION 1**
For one grow site, roughly the size of a tomato plant.
- CONFIGURATION 2**
For two intermediate plants like peppers.
- CONFIGURATION 3**
For four small-sized plants like herbs.
