

USER'S MANUAL

Folding Ottoman Sleeper Bed

PARTS AND HARDWARE

Avoid using sharp objects such as a knife to cut open packing as you may accidentally damage the upholstery.

Ottoman Unit
1x

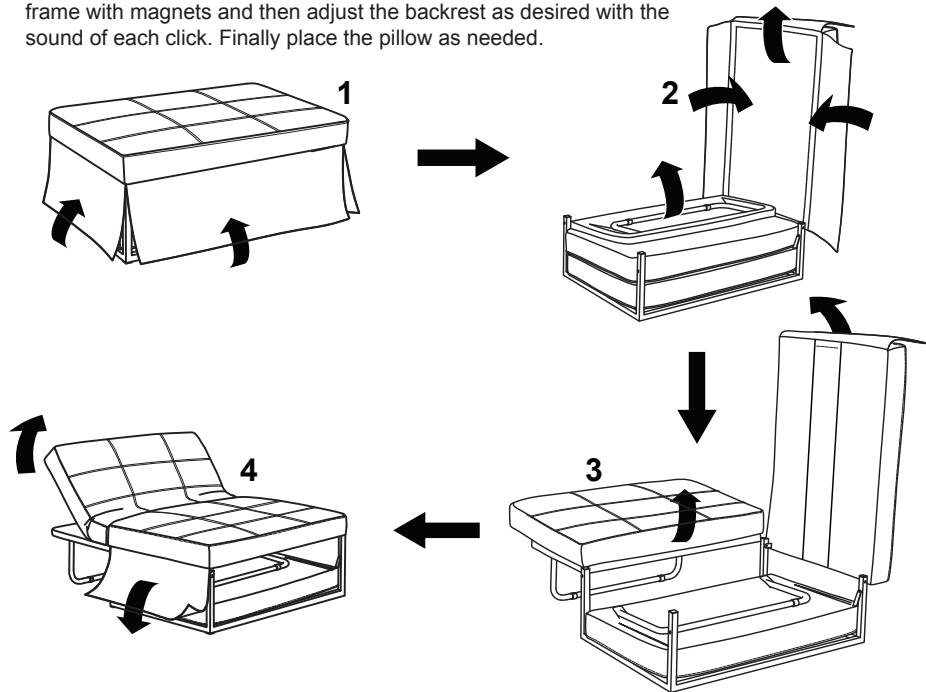

Pillow
1x

THIS UNIT DOES NOT REQUIRE ANY ASSEMBLY

OPERATING YOUR UNIT

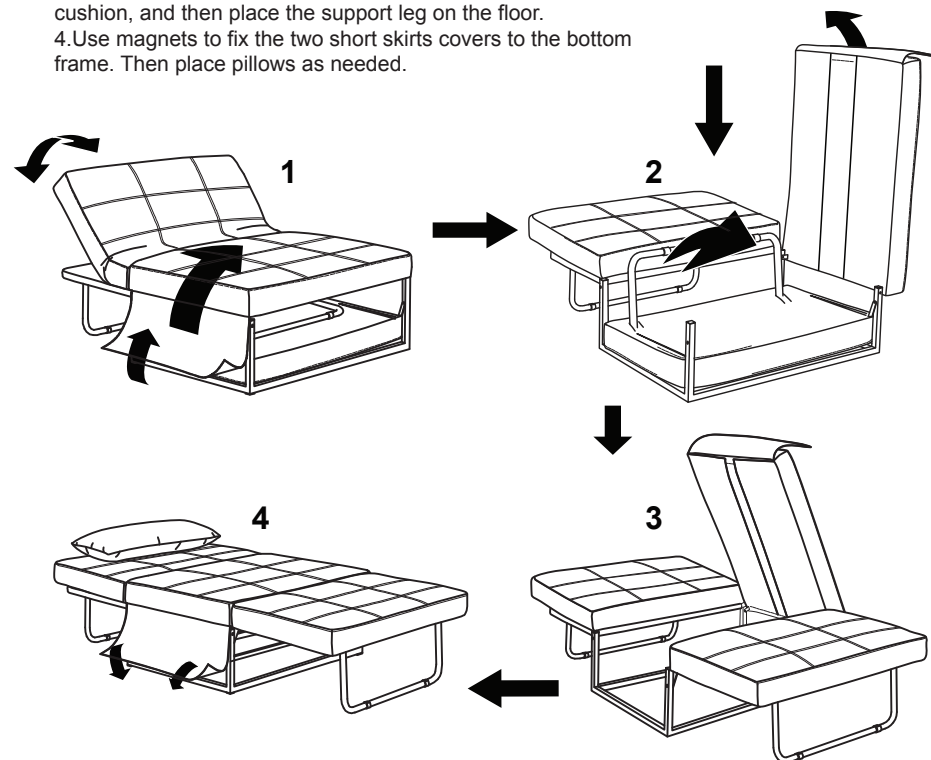

Converting to Chair

1. Lift up all four sides of the ottoman skirting.
2. Standing at the side of the unit, lift up the top seat cushion completely. Fix the two longest skirt covers with the magnets.
3. Lift the support leg of the headrest (second cushion) and flip it over.
4. Carefully put down the top upright seat cushion, fix the two short skirt covers on the base frame with magnets and then adjust the backrest as desired with the sound of each click. Finally place the pillow as needed.

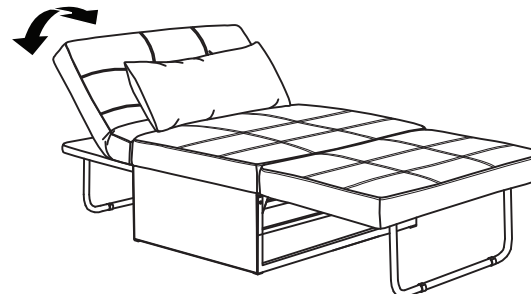

Converting to Bed

1. Lift the backrest all the way up until you hear the last click (this will unlock the mechanism), then carefully return to the flat position.
2. Open the two short skirt covers, and then lift up the chair cushion until it stops.
3. Use the support leg to lift the bottom cushion, turn it over the cushion, and then place the support leg on the floor.
4. Use magnets to fix the two short skirts covers to the bottom frame. Then place pillows as needed.

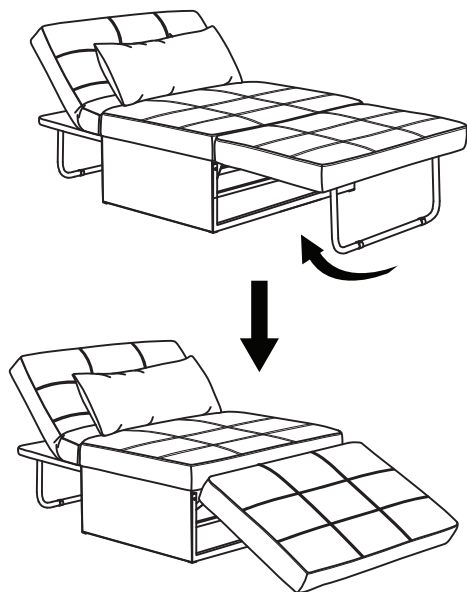

Converting to Chaise

Standing at the side of the unit, lift the back-rest to the desired position and secure it in place by releasing till heard the sound of a click. Place the pillow as desired.

Converting to Chaise Lounge position

Lift the leg rest cushion and push the support leg back to the bottom of the cushion, then carefully place the cushion on the floor.

Ottoman

When using as an ottoman, fix the skirt covers by using the magnets.
