Product Name: Bathroom Tablet Stand with Toilet Paper Holder for iPad®

Product Model: PAD-TSB

This product is compatible with iPad® 2 and the new iPad

The Bathroom Tablet Stand for iPad is a convenient stand and bathroom solution for the iPad. Simply snap the iPad into the holder and you can use the iPad without needing to hold it in your hands. Made of tough and durable plastic, the holder allows you to rotate the iPad 360 degrees. With added EVA foam padding on the holder, it will protect the back of your iPad from scratches. A strong gooseneck tube allows you to adjust the iPad to whichever position or angle you prefer. Now you can comfortably enjoy your games, apps, and videos in the convenience of your bathroom.
