

Parts Included:

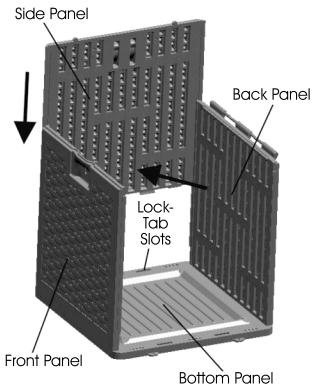

Step 1

Place the three Linked Panels on a level surface.

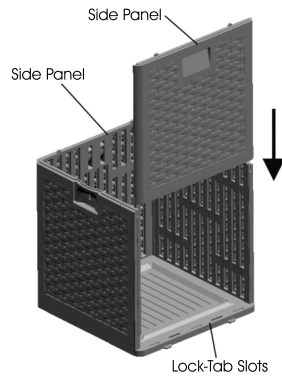

Step 2

Raise the Front and Back Panels to an upright position.

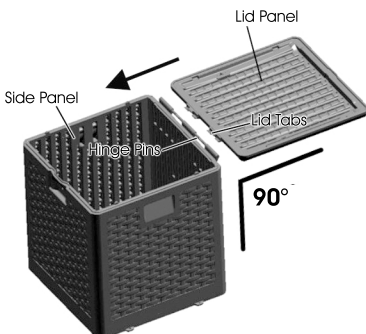

Step 3

Slide one of the Side Panels into position using the slots at the side of the Front and Back Panels. Push the Side Panel down and press the Lock-Tabs into the slots in the Bottom Panel to lock in place.

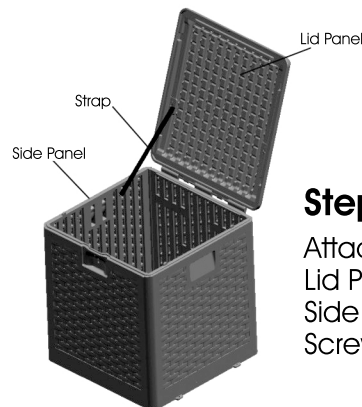

Step 4

Slide the other Side Panels into position using the slots at the side of the Front and Back Panels. Push the Side Panel down and press the Lock-Tabs into the slots in the Bottom Panel to lock in place.

Step 5

Hold the Lid Panel horizontally and line up the Lid Tabs with Back Panel Hinge Pins. Push the Lid Panel horizontally into the Back Hinge Pins and rotate the Lid closed to lock in place.

Step 6

Attach the Strap to the Lid Panel and one of the Side Panels with the two Screws and Washer.

Congratulations!
Your Deck Box is now ready for use.
