Automatic Hose Locking & Retracting

With a locking ball, the hose can be locked at any length you desire. And the automatic hose guide can avoid tangling and kinking when you retract it.

High-Grade Reel Structure

The reinforced protected case is made of high-density plastic material, and sun and rain exposure will not make the material fade.

Sturdy & Durable Hose

This water hose reel is made of PVC material for long-term use. And 3/4" Brass fittings do not rust or corrode. With a 75 ft length, it can cover every corner of your garden.

180° Swivel Bracket

The heavy-duty bracket supports 180-degree rotation to meet multi-directional watering needs. The wall-mounted design is convenient for you to install and disassemble.

7 Function Nozzles

It comes with 7 adjustable patterns nozzle-center, mist, flat, cone, shower, full, and jet patterns to cover all of your watering requirements.

Watering with Ease

Our retractable hose reel can minimize manual work by a huge margin to make your job much easier. You can easily use it for watering, washing your car, bathing your pet, cleaning, etc.
