## Use and Care Manual

### Maintenance

1. Cleaning the Flag:
  - Hand wash or machine wash on a gentle cycle using mild detergent.
  - Lay flat or hang to dry completely before storing.
2. Cleaning the Flagpole:
  - Wipe down the aluminum flagpole with a damp cloth to remove dirt and grime.
  - For tougher stains, use a mild soap solution, rinse thoroughly, and dry.
3. Inspect Regularly:
  - Check the flag and flagpole for any signs of wear or damage. Replace any worn parts or the flag itself if it becomes frayed or faded.

### Storage

1. When not in use, fold the flag in the traditional triangular fold and store it in a clean, dry place to protect it from damage or discoloration.
