

VEVOR®

1100 LBS ELECTRIC HOIST WINCH

WIRE REMOTE CONTROL
MANUAL CONTROL

Electric Hoist Winch

1500W & 16 ft/min & 25FT Lifting Height

- The portable electric hoist winch is designed for lifting and towing heavy-duty applications. Steel construction and a full copper motor make it durable and high-efficient. It is an ideal material handling tool for factories, docks, warehouses, construction sites, and other places.
- Wire Remote Control
- 1100 lbs Loading Capacity
- Convenient & Portable
- Overload Protection

VEVOR®

Tough Equipment & Tools, Pay Less

VEVOR is a leading brand that specializes in equipment and tools. Along with thousands of motivated employees, VEVOR is dedicated to providing our customers with tough equipment & tools at incredibly low prices. Today, VEVOR has occupied markets of more than 200 countries with 10 million plus global members.

Why Choose VEVOR?

- Premium Tough Quality
- Incredibly Low Prices
- Fast & Secure Delivery
- 30-Day Free Returns
- 24/7 Attentive Service

MULTIPLE CONTROL METHODS

Manual control

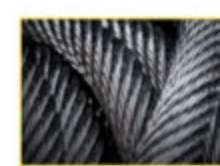

Wire remote control

High-strength hook
It can rotate 360 degrees with safety latch.

Gear box
High working efficiency & heat dissipation for ventilation.

Galvanized steel wire rope
Wear-resistance & not easy to break 1/5 inch*16 ft.

Limit switch
The machine automatically cut off when the stopper is triggered.

Multiple Control Methods

Two control methods, including wire control and manual control, provide you with a more comprehensive way of operation.

1100 lbs Lifting Capacity

The 25 ft galvanized steel cable is strong and secure enough for hoisting and towing, up to 1100 lbs capacity. Not easy to break.

Well-designed Details

Upper and lower swivel hooks prevent falling, and the limit switch design will protect the hoist winch by automatically stopping.

PORTABLE & COMPACT SIZE

- Anti-slip rubber handle
- The light weight (22.05 lbs)

Car trunk

Electrocar

Pure Copper Motor

This portable crane winch equipped with a 1500W full copper motor is more powerful and has an efficient heat dissipation effect.

Easy to Carry

The electric hoist features a non-slip handle and lightweight, designed for your portability and comfort when in use.

Widely Used

The electric lift hoist is an ideal material handling tool for repair factories, warehouses, construction sites, etc., for lifting or towing goods.

Specifications

- Capacity: 1100 lbs/500 kg
- Speed: 16 ft/min/5 m/min
- Lifting Height: 25 ft/7.6 m
- Material: Aluminum, Steel
- Power: 1500 W
- Cable Size: 4/17 in*25 ft/6 mm*7.6 m
- Cable Material: Galvanized Steel

Package Content

- 1 x Electric Hoist
- 1 x Set of Accessories
